

**PHILLIP LEE CHAPMAN**  
**Professor**  
**Department of Statistics, Colorado State University**  
**Fort Collins, Colorado**

**EDUCATION:**

University of California at Berkeley B.A. Mathematics 1971  
University of Minnesota, Twin Cities Ph.D. Statistics 1985

**PROFESSIONAL EXPERIENCE:**

1971-1975 Officer in the United States Coast Guard Reserve.  
1975-1976 Teaching Assistant, Department of Mathematics, University of Minnesota.  
1976-1982 Teaching Assistant, Research Assistant and Project Assistant, School of Statistics,  
University of Minnesota, Twin Cities.  
1982-1983 Statistical Package Program Consultant, University Computer Center, University of  
Minnesota, Twin Cities.  
1983-1989 Assistant Professor and Experiment Station Statistician, Department of Statistics,  
Colorado State University: half time teaching and half time consulting.  
1989-2006 Associate Professor and Experiment Station Statistician, Department of Statistics,  
Colorado State University: half time teaching and half time consulting.  
2006-present Professor and Experiment Station Statistician, Department of Statistics, Colorado State  
University: half time teaching and half time consulting.
