

**Title:** Postdoctoral Fellow Positions – Open Pool  
**Employment Type:** Administrative Professional  
**College:** Natural Sciences  
**Department:** Statistics

**Salary:** Salary is commensurate with level of training and research experience.

**Requirements:** The Department of Statistics seeks applicants throughout the academic year from individuals who are interested in obtaining postdoctoral research experience in the area of statistics and applied probability. These positions have the responsibility to conduct a program of research under the direction of a faculty member in the Department of Statistics. A teaching load of one course per semester is expected. Applicants must hold a Ph.D. degree in an appropriate discipline.

Colorado State University is committed to providing a safe and productive learning and living community. To achieve that goal, we conduct background investigations for all final candidates being considered for employment. Background checks may include, but are not limited to, criminal history, national sex offender search and motor vehicle history.

**Application Deadline:** 01-31-2010

**To Apply:** Interested applicants should electronically submit a cover letter stating interest in postdoctoral employment, a current resume/curriculum vita, a statement of research and teaching experience, and the names and contact information for three references to [postdoc@stat.colostate.edu](mailto:postdoc@stat.colostate.edu). This pool is valid through January 31, 2010, at which time applicants wishing to remain in the pool must reapply.

**CSU is an EO/AA employer.**
