Graybill 2011 Conference
<http://www.stat.colostate.edu/graybillconference/>

The 2012 WNAR meeting will be a joint endeavor with Colorado State University's annual Graybill conference. The Graybill conference is a tribute to Dr. Franklin A. Graybill who was an important leader in statistical methods and helped establish the statistics program at CSU. The Department of Statistics at CSU is celebrating the 50th anniversary of the founding of the F. A. Graybill Statistics Laboratory.

Fort Collins, Colorado, is known as The Choice City and is nestled against the foothills of the beautiful Rocky Mountains. It is the largest city in Northern Colorado and home to Colorado State University.

Fort Collins offers the convenience of a small town with all the amenities of a larger city. There is always something happening in this community. From music concerts and plays, to food and beer tasting extravaganzas, Fort Collins has it all!
