TRANSPORTATION BETWEEN DENVER AND FORT COLLINS

The Shamrock Airport Shuttle offers a convenient and inexpensive shuttle service from Denver International Airport (DIA) to Fort Collins, and return. The cost is approximately $21-$26 (one-way), depending on your drop/pickup location. The shuttle leaves directly from DIA, from Traffic Island 4 (west side) and departs for Fort Collins every hour at 5 minutes past the hour (ex. 5:05, 6:05, 7:05, etc.), from 6 am to 11 pm. The shuttle will bring you to the University Park Holiday Inn (two blocks from campus), or door-to-door service is also available if you know your address destination. The return trip arrives at the same DIA island at 5 minutes before the hour.

Cost: $21.00 (one-way) to the University Park Holiday Inn. An additional $5 for door-to-door service within the Fort Collins city limits, or $3 for door-to-door service to a CSU main campus location.
