

Five Dice: Straight

You get six tries to roll a straight!

To play:

1. Roll all five dice
2. Choose which dice to pick up and roll again, leaving the other dice.
3. Repeat four more times for a total of six rolls.
4. You win if the dice read 1,2,3,4,5 or 2,3,4,5,6!

To score: You get 50 points for winning!
